

CANYON CREST LIBRARY VIRTUAL BOOK DRIVE!

October 1st Through October 31st

Our Library Needs Your Help!

**The Canyon Crest
Library needs our help to
purchase books for our
students to read!**

Last spring our plan was to use our fun run money to help the library purchase new books. Unfortunately Covid-19 made it so we were unable to raise any money for the library.

We have created a virtual bookstore with the books the libraries needs. These books are library bound and have a **lifetime guarantee!**

Go to our website to purchase books for our library now!

**Please do not purchase books and drop them off at the school. Books in the library must be library bound books.*
