November 20, 2019

Present: Rene Cunningham, Jayme Gandara, Renea Dietrich, Melinda Powell, Nancy Mataoa de Montero, Odily Alvarado, Lindsey Denning, Erica Mildenhall

Renea reviewed the SCC training she went to. We have money we can spend this year on safety. We can't buy any tech equipment (cameras, etc) with it.

Our total we can spend this year is \$66,563, including a \$4000 carried over from last year.

Reviewed the School Improvement Plan goals and implementation components.

Reviewed SAGE/RISE data from 2014-2019 for ELA and math to identify areas of need. Compared our data with state and district data.

Possible action: can we get a PTA parent volunteer to organize parent volunteers for the school? Someone who could coordinate parents who are willing to help in any classroom in the school.
