Timpview High would like more collaboration with the school community councils of their feeder schools. More information to come.

Nancy reported on the Building Bridges Summit. She will continue to forward opportunities like this to the council members. Every council member and council visitor comes with their own areas of concern, strengths, and perspectives, and we should encourage representation and participation from those who have differing viewpoints.

Rene shared the 2018-19 and 2019-20 Land Trust plans that were applied in the 19-20 and 20-21 school year.

We discussed the 20-21 School Improvement Plan and our goals for this year. We are being intentional about how we use our paras to support instruction. The current Spanish push-in program was praised and will continue to be emphasized. Shane will coordinate with Ann Gibson, our social media manager, on how to promote the school story.

Beginning of the year Into Math benchmark assessment and Wonders Unit 1 scores were shared and analyzed.

Next month we will talk more in-depth about social media and technology. Nancy and Shane will reach out to interested parties for a strategizing meeting before then.

The next meeting will be on Dec 16th.
