

## **School Community Council**

December 16, 2020

Met via Zoom

**Present:** Rene Cunningham, Renea Dietrich, Nancy Montero, Lindsey Denning, Nate Bryson, Jessica Heaton, Odily Alvarado, Jayme Gandara, Chad Duncan, Brooke Macdonald, Erica Mildenhall

Nancy opened to the committee the possibility of creating subcommittees to meet once a month as needed to support the work done in SCC. We are still interested in creating a subcommittee with non-council members to focus on public relations and social media for the school. Nancy will follow up with Shane to get this rolling in January.

Chad Duncan spoke about how schools can support our students' safe technology use. He explained the internet filters being used by the district and what types of content are blocked. Rene explained the process she uses to respond to and inform parents about reported instances of inappropriate usage. The council suggested that teachers and staff continue to remind students that their computer use is monitored.

School data was shared. We examined the Wonders Unit 2 test and our preliminary data for Acadience middle of the year testing. We anticipate having middle of the year math data ready to share in February. This data is intended to be used to inform the council as to what our school needs are.

Nate and Rene shared potential changes concerning Covid phase changes and vaccines.

Our next meeting is on January 20th at 4:00 p.m.
