Subject: SITLAFunds Challenge Winner

Dear Principal Cunningham:

On behalf of the Utah School and Institutional Trust Lands Administration, SITLA, congratulations to Canyon Crest Elementary for winning our 2021 SITLAFunds Challenge. A special thank you to Lindsey Denning of your School Community Council for submitting your winning photograph.

This is my favorite part of my job: Seeing how Utah's amazing educators use trust land funds to teach and engage students.

Thank you again for entering our challenge. We wish you a peaceful summer and an exciting 2021-2022 school year.

Sincerely,

A handwritten signature in blue ink, appearing to read "Deena Loyola", is written over a light blue horizontal line.

Trust land funds really are essential to making our school great. We have used our funds to help build up our STEM program. The money was essential to getting our space lab up and running. The students love it and it's made science and technology come alive for them. We are so grateful for land trust funds at Canyon Crest Elementary! This money makes a difference for every single student. -Lindsey Denning, School Community Council
