

# FAMILY CHALLENGE-BREAKING NEWS

In the coming month, find a news piece in any form and take it through various questions to identify its reliability.

## Check the Sources

Are the sources legitimate? Have they proved reliable in the past? Do you see any potential bias?

## Multiple Sources

Has it been reported by multiple news outlets? Check the details on other sources.

## Headline

Headlines can lead you to believe something. Read article for more details.

## News or Opinion

The distinction between the two is often difficult to determine. Identify when the author uses I.

## Fact Check

Use fact checking sources like [snopes.com](http://snopes.com) to determine fact vs rumor
