

BE AN INFORMED VOTER

Did you know that if you live in districts 1, 2, 3, or 4 (see map below) you have a chance to vote for your school board member in November? Your school board member is responsible for approving the budget, hiring a new superintendent this year, establishing a calendar, and establishing policies and long-term rules. Don't miss your chance to be an informed voter in the upcoming election by attending our PTA sponsored forum!
