Agenda:

- I. Introductions–Name and Role
- II. Confirm Contact Information
- III. Meeting Dates
- IV. Vote in SCC chair and co-chair

Minutes:

- I. Welcome–Dr. Edwards
- II. Confirm Contact Information–there was a scam last year because of public information. There will be a link posted on the school website for patrons to contact community council members. Hidden email route. Contact information was displayed and confirmed.
- III. Meeting Dates–
Proposed Dates: October 19, November 16, January 18, February 15, March 15, April 19 and May 17. If anyone misses two consecutive meetings, the SCC will determine if a replacement is appointed. Meetings to be held at 3:45. Motion was made to accept meeting dates. The motion was seconded and a majority vote was taken and approved.
- IV. SCC Chair and Co-chair: There was an explanation given of the duties and responsibilities of the SCC chair. The chair must be a parent representative. They also need to attend district training. A motion for nominations was made to move forward with nominations. Kate was nominated to be the chair and the motion was seconded. There was a majority vote. Shane was nominated as the co-chair, the motion was seconded and there was a majority vote.

Discussion: What is the purpose: state law was quoted. Involvement of parents in the decision making process in the school, improve the education of students, prudently expend the school LAND trust program money. Each school has a slight variation of what that looks like. We make decisions based on data.

Question: About the use of the LAND trust money–if it is not used. Amendments can be made, a certain portion can be rolled over.

Question: How does the committee work? How long is the commitment? Two years.

Where does the data come from? Review of last year's goal data.

Motion to adjourn, seconded, adjourned.
